Business Overview and Future Outlook

FY 18-19 marks the first complete year of operations of our TReDS platform - Invoicemart, the growth witnessed in the last one year has been satisfying and supported by an overall strong credit demand in the country, which stood at Rs. 24.7 lakh crores, as on September 2018.

These figures are in spite of the supply crunch in the credit flow which was witnessed in the last two quarters of FY 18-19.

FY 18-19 has been pivotal for TReDS as well as for the MSME ecosystem as it has helped in easing the credit flow crunch. Since its launch, TReDS has come to acquire a central role in Govt.'s push for inclusion of MSMEs into the formal financial ecosystem. The Govt. has continued to push all the stakeholders (public and private) viz. large corporates and banks to register on a TReDS platform. Strong brand visibility coupled with presence across the important business centres of the country has resulted in Invoicemart adding the highest numbers of participants among the competition.

Invoicemart holds leadership position with 40% market share among the TReDS platforms and we continue to work towards maintaining, extending and protecting our market leadership. Invoicemart has inherent advantage over the competition in terms of in-depth knowledge & experience of senior leadership.

The leadership has focussed on growth with high levels of compliance, the quality of large corporates on boarded has resulted in the income from operations to grow 6x from Rs. 55,72,677 (FY 17 -18) to Rs. 3,25,86,185 (FY 18-19), with NIL Delinquencies. The increase in income from operations has been supported by a 7x increase in the number of invoices discounted, up from 14,304 invoices in the last FY (17-18) to 1.68 lakh invoices in FY (18-19), valuing Rs. 2296 crores.

A.TREDS LIMITED

Your company has managed a healthy increase in participant numbers by 5x from 352 (FY 17 -18) to 1733 (FY 18-19), comprising of 227 buyers, 1492 sellers and 14 financiers during the financial year.

With competitive rates available through a transparent auction mechanism, on favourable terms at ease of click of a button, Invoicemart is poised to become a major source of MSME working capital finance in the near future.

Invoicemart is committed to formalisation of MSMEs, enabling their financial inclusion and making them credit worthy in the future. At Invoicemart we look forward to be the harbingers of a new era in MSME financing landscape, ensuring fast, flexible and favourable terms of finance.

DIVIDEND:

Your Directors have not recommended payment of any dividend on equity shares, for the financial year ended as on 31st March, 2019.

INDEPENDENT AUDITOR'S REPORT

To the Members of A.Treds Limited

Report on the Audit of the Financial Statements**Opinion**

We have audited the accompanying financial statements of A.Treds Limited ("the Company"), which comprise the Balance sheet as at March 31 2019, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, its loss and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report ("Directors' Report"), but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act

with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Companies (Accounting Standards) Rules, 2006 (as amended) specified under section 133 of the Act, read with the Companies (Accounts) Rules, 2014". This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Charged with Governance are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting

and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure 1" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Companies (Accounting Standards) Rules, 2006 (as amended) specified under section 133 of the Act, read with the Companies (Accounts) Rules, 2014;
 - (e) On the basis of the written representations received from the directors as on March 31, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164 (2) of the Act;

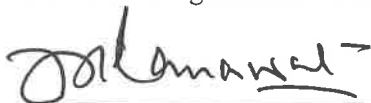

-
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company with reference to these financial statements and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2" to this report;
- (g) In our opinion, the managerial remuneration for the year ended March 31, 2019 has been paid/provided by the Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act;
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company does not have any pending litigations which would impact its financial position;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses and;
 - iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure 1 referred to under the heading "Report on other legal and regulatory requirements" of our report of even date

Re: A.Treds Limited ('the Company')

- (i)(a) The Company has maintained proper records showing full particulars, including quantitative details and location of fixed assets.
- (i)(b) Fixed assets have been physically verified by the management during the year and no material discrepancies were noticed on such verification.
- (i)(c) According to the information and explanations given by the management, there are no immovable properties, included in property, plant and equipment/ fixed assets of the Company and accordingly, the requirements under paragraph 3(i)(c) of the Order are not applicable to the Company.
- (ii) The Company's business does not involve inventories and, accordingly, the requirements under paragraph 3(ii) of the Order are not applicable to the Company.
- (iii) According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013. Accordingly, the provisions of clause 3(iii)(a), (b) and (c) of the Order are not applicable to the Company and hence not commented upon.
- (iv) In our opinion and according to the information and explanation given to us, there are no loans, investments, guarantees and securities granted in respect of which provisions of section 185 and 186 of the Companies Act 2013 are applicable and hence not commented upon.
- (v) The Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the Order are not applicable.
- (vi) To the best of our knowledge and as explained, the Company is not in the business of sale of any goods. Therefore, in our opinion, the provisions of clause 3(vi) of the Order are not applicable to the Company.
- (vii)(a) The Company is regular in depositing with appropriate authorities undisputed statutory dues including provident fund, income-tax, goods & services tax and other statutory dues applicable to it. The provisions relating to employees' state insurance, duty of customs, duty of excise, value added tax and cess are not applicable to the Company.
- (vii)(b) According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, income-tax, goods & services tax and other statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable. The provisions relating to employees' state insurance, duty of customs, duty of excise, value added tax and cess are not applicable to the Company.
- (vii)(c) According to the information and explanations given to us, there are no dues of income tax, sales-tax, goods and service tax, value added tax and cess which have not been deposited on account of any dispute. The provisions relating to duty of custom, duty of excise and employees' state insurance are not applicable to the Company.
- (viii) The Company did not have any outstanding loans or borrowing dues in respect of a financial institution or bank or to government or dues to debenture holders during the year.

According to the information and explanations given by the management, the Company has not raised any money way of initial public offer/ urther public offer/debt instruments and term loans hence, reporting under clause (ix) is not applicable to the Company and hence not commented upon.

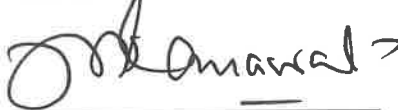

- (x) Based upon the audit procedures performed for the purposes of reporting the true and fair view of the financial statements and according to the information and explanations given by the management, we report that no fraud by the the Company or no fraud on the Company by the officers and employees of the Company has been noticed or reported during the year.
- (xi) According to the information and explanation given by the management, the managerial remuneration has been paid in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Companies Act, 2013.
- (xii) In our opinion, the Company is not a Nidhi company. Therefore, the provisions of clause 3(xi) of the order are not applicable to the Company and hence not commented upon.
- (xiii) According to the information and explanations given by the management, transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to the financial statements, as required by the applicable accounting standards.
- (xiv) According to the information and explanations given by the management, the Company has complied with provisions of section 42 of the Companies Act, 2013 in respect of the preferential allotment during the year. According to the information and explanations given by the management, we report that the amounts raised, have been used for the purposes for which the funds were raised.
- (xv) According to the information and explanations given by the management, the Company has not entered into any non-cash transactions with directors or persons connected with him as referred to in section 192 of Companies Act, 2013.
- (xvi) According to the information and explanations given to us, the provisions of section 45-IA of the Reserve Bank of India Act, 1934 are not applicable to the Company.

“ANNEXURE 2” TO THE INDEPENDENT AUDITOR’S REPORT OF EVEN DATE ON THE FINANCIAL STATEMENTS OF A.TREDS LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

To the Members of A.Treds Limited

We have audited the internal financial controls over financial reporting of A.Treds Limited (“the Company”) as of March 31, 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting with reference to these financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting with reference to these financial statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls over financial reporting with reference to these financial statements.

Meaning of Internal Financial Controls Over Financial Reporting With Reference to these Financial Statements

A company's internal financial control over financial reporting with reference to these financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

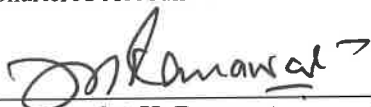

Inherent Limitations of Internal Financial Controls Over Financial Reporting With Reference to these Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting with reference to these financial statements and such internal financial controls over financial reporting with reference to these financial statements were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

A.Treds Limited

Notes forming part of the financial statements

1. Nature of operations and background

A.Treds Limited (the 'Company') is public company domiciled in India. The principal activity of the Company is to carry on business of setting up and operating of Trade Receivable Discounting System under Payment and Settlements Systems Act, 2007.

2. Basis of preparation

The financial statements have been prepared in accordance with the generally accepted accounting principles in India (Indian GAAP) under the historical cost convention on accrual basis. The Company has prepared these financial statements to comply in all material respects with the accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules 2014 and Companies (Accounting Standards) Amendment Rules, 2016. The financial statements have been prepared on an accrual basis and under the historical cost convention.

2.1 Significant accounting policies

a Change in accounting policies

Revenue Recognition - Transaction fees

The Company follows recognition of transaction fee on time proportion basis over the tenure of transaction. In the current year that is w.e.f 1st October 2018, the company has changed its accounting policy for revenue recognition of transaction fees received from sellers to be recognised upfront on the date of transaction.

Had the company continued to use the earlier basis of accounting for transaction fees, the income would be Rs. 2,40,49,138. Consequently the income is higher by Rs. 1,09,537 in the current year.

Revenue Recognition - Annual fees

The Company follows recognition of annual fee on accrual basis. In the current year that is w.e.f 1st October 2018, the company has changed its accounting policy for revenue recognition of annual fees on time proportion basis over the tenure of one year.

Had the company continued to use the earlier basis of accounting for annual fees, the income would be Rs. 87,500. Consequently the income is lower by Rs. 63,801 in the current year.

Presentation and disclosure of financial statements

i. Use of estimates

The preparation of the financial statements in conformity with the Indian GAAP requires the management to make estimates and assumptions that affect the reported amounts of assets and liabilities, revenues and expenses and disclosure of contingent liabilities at the end of reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

ii. Current-non-current classification of assets/ liabilities

As required by Schedule III, the Company has classified all its assets / liabilities into current / non-current portion based on the time frame of 12 months from the date of financial statements. Accordingly, assets/liabilities expected to be realised / settled within 12 months from the date of financial statements are classified as current and other assets/liabilities are classified as non-current.

iii. Tangible assets

Fixed assets are stated at cost, net off accumulated depreciation and accumulated impairment losses, if any. The cost comprises the purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for its intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Subsequent expenditure related to an item of fixed asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the Statement of profit and loss for the period during which such expenses are incurred.

Gains or losses arising from derecognition of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of profit and loss when the asset is derecognized.

Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any. Internally generated intangible assets, excluding capitalised development costs, are not capitalised and expenditure is reflected in the statement of profit and loss in the year in which the expenditure is incurred.

Intangible assets are amortised on a straight line basis over the estimated useful economic life. The Company uses a rebuttable presumption that the useful life of an intangible asset will not exceed ten years from the date when the asset is available for use. If the persuasive evidence exists to the effect that useful life of an intangible asset exceeds ten years, the Company amortises the intangible asset over the best estimate of its useful life. All other intangible assets are assessed for impairment whenever there is an indication that the intangible asset may be impaired.

A.Treds Limited

iv. Depreciation on Tangible asset / Amortization of intangible asset

Depreciation on fixed assets is calculated on straight-line basis using the rates arrived at, based on the useful lives estimated by the management. The company has used the following rates to provide depreciation on its fixed assets

Depreciation has been provided using the following estimated useful lives :

Particulars	Useful Life estimated by the management (same as specified in Schedule II of the Companies Act, 2013)
Office Equipment	5 Years
Computers	3 Years
Servers	6 Years
Softwares	5 Years
Furnitures & Fixtures	10 Years
Leasehold Improvement	9 Years (Over lease period)

The residual values, useful lives and methods of depreciation of property, plant and equipment and intangible assets are reviewed at each financial year end and adjusted prospectively, if appropriate.

Depreciation on assets sold during the year is recognised on a pro-rata basis to the Statement of profit and loss till the date of sale of assets.

v. Impairment of tangible and intangible assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's net selling price and its value in use. The recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining net selling price, recent market transactions are taken into account, if available. If no such transactions can be identified, an appropriate valuation model is used. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

An assessment is made at each reporting date as to whether there is any indication that previously recognized impairment losses may no longer exist or may have decreased. If such indication exists, the Company estimates the asset's recoverable amount. A previously recognized impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognized. The reversal is limited so that the carrying amount of the asset does not exceed its recoverable amount, nor exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years. Such reversal is recognized in the Statement of profit and loss unless the asset is carried at a revalued amount, in which case the reversal is treated as a revaluation increase.

vi. Leases

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognized as an expense in the Statement of profit and loss on a straight-line basis over the lease term.

vii. Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

a. Onboarding Fee, Transaction Fee and Annual Fee

Onboarding Fee is one time fee and is recognized at the time of onboarding of Buyer, Seller or financier. Transaction fee is recurring in nature and is recognised on time proportion basis over the of the tenure of transaction. Transaction fees received from sellers is recognised upfront on the date of transaction. The Company follows recognition of annual fee on time proportion basis over the tenure of one year.

Onboarding Fees, Transaction Fees and Annual fees are included under "Income from Operations" in the Statement of profit and loss.

b. Interest

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest is included under the head 'Other Income' in the Statement of profit and loss.

A. Treds Limited

viii. Retirement Benefits

a. Retirement and other employee benefits

Retirement benefit in the form of provident fund is a defined contribution scheme. The company has no obligation, other than the contribution payable to the provident fund. The company recognizes contribution payable to the provident fund scheme as an expenditure, when an employee renders the related service.

b. Gratuity

The Company provides for the gratuity, a defined benefit retirement plan covering all employees. The plan provides for lump sum payments to employees upon death while in employment or on separation from employment after serving for the stipulated year mentioned under 'The Payment of Gratuity Act, 1972'. The Company accounts for liability of future gratuity benefits based on an external actuarial valuation on projected unit credit method carried out for assessing liability as at the reporting date.

Actuarial gains and losses arising from experience adjustments and change in actuarial assumptions are recognised in the statement of profit and loss in the period in which they arise.

c. Leave availment

Earned leave can be carried forward and availed during the tenure of the employment upto maximum of 50 days. Any accumulated leaves in excess of 50 days in subsequent years are bound to lapse. The company treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. This liability is recognised based on an external actuarial valuation using the projected unit credit method.

ix. Income taxes

Tax expense comprises current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the Company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date. Current income tax relating to items recognised directly in equity is recognised in equity and not in the statement of profit and loss

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred income tax relating to items recognized directly in equity is recognized in equity and not in the Statement of profit and loss.

Deferred tax liabilities are recognised for all taxable timing differences. Deferred tax assets are recognised for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the Company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

The carrying amount of deferred tax assets are reviewed at each reporting date. The Company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available

At each reporting date, the Company re-assesses unrecognised deferred tax assets. It recognises unrecognised deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realised.

A.Treds Limited

x. Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting attributable taxes) by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

xi. Provisions

A provision is recognized when the Company has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made of the amount of obligation. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the reporting date. These are reviewed at each reporting date and adjusted to reflect the current best estimates.

xii. Cash and cash equivalents

Cash and Cash Equivalents for the purpose of cash flow statement comprise cash in hand and cash at bank including fixed deposit with original maturity period of three months and short term highly liquid investments with an original maturity of three months or less.

xiii. Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Notes forming part of the financial statements

Notes

- 1) Related party relationships have been identified by the management and relied upon by the auditors.
- 2) There are no transaction during the period with fellow subsidiaries.
- 3) Figures for the period ended 31 March 2018 are disclosed in brackets.

23. During the year, the holding company issued stock options to certain employees of the holding company who are either on deputation to or on payroll of the Company. Since these stock options are issued by the holding company directly to the employees of the Company/holding company and the related costs, if any, will be borne by the holding company, no provision is made in the accompanying financial statements.

24. Previous year figures

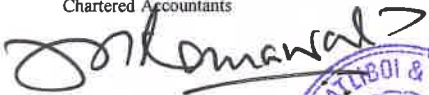

Previous year/period figures have been regrouped/reclassified wherever necessary, to confirm to the current period's classification.

Summary of significant accounting policies
